Presenting JR: Can Art Change the World? - Presenting JR: Can Art Change the World? 42 seconds - The most comprehensive monograph on the enigmatic French street artist - now updated to include brand-new work. See more: ...

Created in close collaboration with the artist, it features chapters on each of JR's major bodies of work - from 'Expo2Rue,' which launched his career as a street artist, to 'The Gun Chronicles: A Story of America' published in Time magazine in 2018.

This first-ever picture book by internationally acclaimed artist-photographer JR allows young readers to consider the lives and stories of the older people around them.

Evocative black-and-white photographs of faces and simple, poignant read-aloud text consider the literal and lyrical meaning of wrinkles, leaving readers of all ages with a well-justified appreciation of aging and natural beauty.
