Prelude and Fugue in E-flat minor, BWV 853

The Prelude and Fugue in E^b minor, BWV 853 is the eighth pair of preludes and fugues in the first book of The Well-Tempered Clavier by Johann Sebastian

The Prelude and Fugue in E^b minor, BWV 853 is the eighth pair of preludes and fugues in the first book of The Well-Tempered Clavier by Johann Sebastian Bach, compiled around 1722. After the cheerful lightness of E^b major, Bach reserves the first tragic encounter in his harmonic journey for E^b minor.

The prelude, marked by a meditative character, introduces a fugue of considerable complexity, employing techniques such as canon and augmentation, similar to those found in The Art of Fugue. The fugue appears in the enharmonic key of D^b minor, although some editions present it in both D^b minor and its enharmonic equivalent, E^b minor.

The two books of The Well-Tempered Clavier are widely regarded by composers and educators as important reference works. First circulated in manuscript form among musicians and later published in the early 19th century, they have been used both for the enjoyment of listeners and as foundational material in the study of keyboard technique and composition since their creation.

The Honda Prelude (Japanese: ??????????, Hepburn: Honda Purery^odo) is a sport compact car produced by the Japanese company Honda. It was once produced over five generations from 1978 to 2001. It is planned to be reintroduced in 2025.

For the first five generations, as a two-door coupe loosely derived from the Accord, the Prelude was the first Honda to feature a moonroof, a feature that remained standard equipment throughout its production.

The Prelude was used by Honda to introduce the Japanese Honda retail sales chain Honda Verno, with the international release of the model following shortly after. The Prelude's manufacture concluded in 2001 on introduction of the fourth-generation Integra. The Prelude name was originally trademarked by Toyota, but was amicably given to Honda for use.

The Prelude's nameplate aligned with a series of music-themed nameplates in use by Honda, including the Accord, Quintet, Concerto, Jazz, and Ballade.

The Well-Tempered Clavier

The Well-Tempered Clavier, BWV 846–893, consists of two sets of preludes and fugues in all 24 major and minor keys for keyboard by Johann Sebastian Bach

The Well-Tempered Clavier, BWV 846–893, consists of two sets of preludes and fugues in all 24 major and minor keys for keyboard by Johann Sebastian Bach. In the composer's time *clavier* referred to a variety of keyboard instruments, namely the harpsichord, the clavichord and the organ (which operates using air instead of strings), but not excluding the regal and the then newly-invented fortepiano.

The modern German spelling for the collection is *Das wohltemperierte Klavier* (WTK; German pronunciation: [das ˈvoʔlʔtʔmpʔʔiʔʔtʔ klaˈviʔʔʔ]). Bach gave the title *Das Wohltemperirte Clavier* to a book of preludes and fugues in all 24 keys, major and minor, dated 1722, composed "for the profit and use of musical youth desirous of learning, and especially for the pastime of those already skilled in this study". Some 20 years later, Bach compiled a second book of the same kind (24 pairs of preludes and fugues), which became known as *The Well-Tempered Clavier, Part Two* (in German: *Zweyter Theil*, modern spelling: *Zweiter Teil*).

Modern editions usually refer to both parts as *The Well-Tempered Clavier, Book 1* (WTC 1) and *The Well-Tempered Clavier, Book 2* (WTC 2), respectively. The collection is generally regarded as one of the most important works in the history of classical music.

The Prelude in C Minor, BWV 999, is, according to its only extant 18th-century manuscript, a composition for lute by Johann Sebastian Bach. In the manuscript, conserved as Fascicle 19 of Mus.ms. Bach P 804 at the Berlin State Library, Johann Peter Kellner wrote the piece down in keyboard notation. The time of origin of the work is not known: possibly Bach composed it in his Köthen period, that is, between 1717 and 1723, or the early years of his ensuing Leipzig period. Kellner's copy was produced after 1727, but before Bach's death in 1750.

The Prelude can be performed as well on a lute as on a keyboard. In the 19th century, it was adopted as No. 3 in the keyboard collection *Twelve Little Preludes*. It was grouped with Bach's lute compositions in 20th-

century scholarship such as the Bach-Jahrbuch of 1931, the Bach-Werke-Verzeichnis and the New Bach Edition. It has been recorded in performances on lute, on guitar, and on keyboard instruments such as piano or harpsichord. In the 21st century, digital facsimiles of Kellner's copy became available on-line, for instance at the Bach Digital website.
