The Break-Up is a 2006 American romantic comedy-drama film directed by Peyton Reed, based on a story by Jay Lavender, Jeremy Garelick, and Vince Vaughn, with a screenplay by Lavender and Garelick. The film stars Vince Vaughn and Jennifer Aniston and was produced by Universal Pictures.

The Break-Up was released in the United States on June 2, 2006, by Universal Pictures. It received mixed-to-negative reviews from critics, who criticized its inconsistent tone but praised the chemistry between Vaughn and Aniston. Despite the reviews, the film was a commercial success, grossing approximately \$205 million worldwide against a production budget of \$52 million.

Breaking Up Is Hard to Do

"Breaking Up Is Hard to Do" is a song recorded by Neil Sedaka, co-written by Sedaka and Howard Greenfield. Sedaka recorded this song twice, in 1962 and

"Breaking Up Is Hard to Do" is a song recorded by Neil Sedaka, co-written by Sedaka and Howard Greenfield. Sedaka recorded this song twice, in 1962 and 1975, in two significantly different arrangements, and it is considered to be his signature song. Between 1970 and 1975, it was a top-40 hit three separate times for three separate artists: Lenny Welch, The Partridge Family and Sedaka's second version. The song was also adapted into multiple languages, most notably in Italian and French.

Family

family break up like that.' Here the reference is not only to parents and children but to their co-residence, that is, to the household.' The Family and

Family (from Latin: familia) is a group of people related either by consanguinity (by recognized birth) or affinity (by marriage or other relationship). It forms the basis for social order. Ideally, families offer predictability, structure, and safety as members mature and learn to participate in the community. Historically, most human societies use family as the primary purpose of attachment, nurturance, and socialization.

Anthropologists classify most family organizations as matrifocal (a mother and her children), patrifocal (a father and his children), conjugal (a married couple with children, also called the nuclear family), avuncular (a man, his sister, and her children), or extended (in addition to parents, spouse and children, may include grandparents, aunts, uncles, or cousins).

The field of genealogy aims to trace family lineages through history. The family is also an important economic unit studied in family economics. The word "families" can be used metaphorically to create more inclusive categories such as community, nationhood, and global village.

Why Women Kill

She tells Jade to come with her, but Jade stays. 8 8 "Marriages Don't Break Up on Account of Murder – It's Just a Symptom That Something Else Is Wrong"

Why Women Kill is an American dark comedy anthology series created by Marc Cherry, which depicts the events leading to deaths caused by women.

The first season, which premiered on August 15, 2019, on CBS All Access, consists of 10 episodes and is set in multiple periods. The second season, containing 10 episodes, premiered on June 3, 2021, on Paramount+ and focuses on a single time period. In December 2021, the series was renewed for a third season, but in July 2022 the third season was scrapped before production could begin.

Break-up of the Beatles

lack of strong managerial leadership contributed significantly to the break-up. When the group convened to record The Beatles in May 1968, there was still

The Beatles were an English rock band, active from 1960 until 1970. From 1962 onwards, the band's members were John Lennon, Paul McCartney, George Harrison and Ringo Starr. Their disbandment is attributed to numerous factors, including the strain of the Beatlemania phenomenon, the 1967 death of their manager Brian Epstein, bandmates' discontent of McCartney's leadership of the band, Lennon's heroin use and his relationship with Yoko Ono, Harrison's increasingly prolific songwriting, the floundering of Apple Corps, the Get Back project (renamed Let It Be in 1970), and managerial disputes.

During the latter half of the 1960s, each of the band's members began to assert individual artistic agendas. Their disunity became most evident on 1968's The Beatles (also known as "the White Album"), and quarrels and disharmony over musical matters soon permeated their business discussions. Starr left the group for two weeks during the White Album sessions, and Harrison quit for five days during the Get Back rehearsals. Starting in the autumn of 1968, the group quarrelled regarding who should handle their business affairs. McCartney lobbied for the entertainment lawyers Lee and John Eastman but was outvoted by his bandmates in favour of the businessman Allen Klein.

The final time that the four members recorded together was the session for Abbey Road's "The End" on 20 August 1969, a date which also saw further mixing and editing for "I Want You (She's So Heavy)"; their final meeting with all four present was two days later at a photo session held at Lennon's Tittenhurst estate. On 20 September, Lennon privately informed his bandmates at a meeting at Apple, without Harrison present, that he was leaving the Beatles, although it was unclear to the other members whether his departure was permanent. On 10 April 1970, McCartney said in a press release that he was no longer working with the group, which sparked a widespread media reaction and worsened the tensions between him and his bandmates. Legal disputes continued long after his announcement, and the dissolution was not formalised until 29 December 1974.

Rumours of a full-fledged reunion persisted throughout the 1970s, as the members occasionally reunited for collaboration, but never with all four simultaneously. Starr's "I'm the Greatest" (1973) and Harrison's "All Those Years Ago" (1981) are the only tracks that feature three ex-Beatles. Rumours also circulated that the 1976 debut album of Canadian rock band Klaatu, 3:47 EST, was secretly a new release by the Beatles, due to the lack of writing credits and similar sound, though was debunked when the members publicly revealed their identities a year later. After Lennon's murder in 1980, the surviving members reunited for the Anthology project in 1994, using the unfinished Lennon demos "Free as a Bird", "Real Love" and "Now and Then" as the basis for new songs recorded and released as Beatles material, though the latter remained unreleased until 2023.

Prison Break

Prison Break is an American crime drama television series created by Paul Scheuring for Fox. The series revolves around two brothers: Lincoln Burrows

Prison Break is an American crime drama television series created by Paul Scheuring for Fox. The series revolves around two brothers: Lincoln Burrows (Dominic Purcell) and Michael Scofield (Wentworth Miller); Lincoln has been sentenced to death for a crime he did not commit, while Michael devises an elaborate plan to help his brother escape prison and clear his name. Along with creator Paul Scheuring, the series was executive-produced by Matt Olmstead, Kevin Hooks, Marty Adelstein, Dawn Parouse, Neal H. Moritz, and Brett Ratner who directed the pilot episode. The series' theme music, composed by Ramin Djawadi, was nominated for a Primetime Emmy Award in 2006. Prison Break is a joint production between Original Film, Adelstein/Parouse Productions (seasons 1–4), Dawn Olmstead Productions (season 5), Adelstein Productions (season 5), One Light Road Productions (season 5), and 20th Century Fox Television.

The series was originally turned down by Fox in 2003, which was concerned about the long-term prospects of such a series. Following the popularity of serialized prime time television series *Lost* and *24*, Fox decided to back production in 2004. The first season received mostly positive reviews from critics. Furthermore, it performed exceptionally in the ratings and was originally planned for a 13-episode run, but was extended to include an extra nine episodes due to its popularity. The subsequent seasons continued to receive strong ratings; however some critics claimed the show had overstayed its welcome. Prison Break was nominated for several industry awards, including the 2005 Golden Globe Award for Best Television Series Drama and the 2006 People's Choice Award for Favorite New TV Drama, which it won. In the United States, all five seasons have been released on DVD and released on Blu-ray internationally.

The success of the series has spawned several official tie-ins: a video game, the spin-off series *Prison Break: Proof of Innocence* for mobile phones, online webisodes, an official magazine, and a novel. The fourth season of Prison Break returned from its mid-season break in a new timeslot on April 17, 2009, for the series' last six episodes. Two additional episodes, titled "The Old Ball and Chain" and "Free" were produced, and were later transformed into a standalone feature, titled *The Final Break*. Its events take place before the last scene of the series finale, and conclude the plotlines. The feature was released on DVD and Blu-ray July 21, 2009.

A nine-episode fifth season was announced by Fox in January 2016. The revival series premiered on April 4, 2017, and concluded on May 30. In January 2018, Fox confirmed that season 6 was in early development; however, in August 2019, Fox announced that it had no current plans to revive Prison Break, with Miller stating in late 2020 that he had no plan to return to the series.

Breakup

A relationship breakup, breakup, or break-up is the ending of a relationship. The act is commonly termed "dumping [someone]" in slang when it is initiated

A relationship breakup, breakup, or break-up is the ending of a relationship. The act is commonly termed "dumping [someone]" in slang when it is initiated by one partner. The term is less likely to be applied to a married couple, where a breakup is typically called a separation or divorce. When a couple engaged to be married breaks up, it is typically called a "broken engagement". People commonly think of breakups in a romantic aspect, however, there are also non-romantic and platonic breakups, and this type of relationship dissolution is usually caused by failure to maintain a friendship.

Susie Orbach (1992) has argued that the dissolution of dating and cohabiting relationships can be as painful as or more painful than divorce because these nonmarital relationships are less socially recognized.

Kamiar-K. Rueckert argues with the works of Donald Winnicott that the ability to be alone is an essentially healthy sign of emotional development and maturity. Once a child has obtained closeness and attachment by their early caregivers, they are able to develop autonomy and identity. If children have not introjected the good and protective qualities of their parents, they will fear separation and break-ups.

Family Guy

personality. Family Guy often includes self-referential humor. The most common form is jokes about the Fox network, and occasions where the characters break the

Family Guy is an American animated sitcom created by Seth MacFarlane for the Fox Broadcasting Company. The series premiered on January 31, 1999, following Super Bowl XXXIII, with the rest of the first season airing from April 11, 1999. The show centers around the Griffins, a dysfunctional family consisting of parents Peter and Lois, their children, Meg, Chris, and Stewie, and their anthropomorphic pet dog, Brian. Set in the fictional city of Quahog, Rhode Island, the show exhibits much of its humor in the form of cutaway gags that often lampoon American culture.

The family was conceived by MacFarlane after he developed two animated films, *The Life of Larry* and *Larry & Steve*. MacFarlane redesigned the films' protagonist, Larry, and his dog, Steve, and renamed them Peter and Brian, respectively. MacFarlane pitched a fifteen-minute pilot to Fox in May 1998, and the show was greenlit and began production. Family Guy's cancellation was announced shortly after the third season had aired in 2002, with one unaired episode eventually premiering on Adult Swim in 2003, finishing the series' original run. Favorable DVD sales and high ratings from syndicated reruns since then convinced Fox to revive the show in 2004; a fourth season began airing the following year, on May 1, 2005. On April 2, 2025, the show was renewed for four additional seasons on Fox.

Family Guy received generally positive reviews during its first seven seasons. Since then, the series has received criticism for a perceived decline in quality. In 2009, it was nominated for a Primetime Emmy Award for Outstanding Comedy Series, the first time an animated series had been nominated for the award since *The Flintstones* in 1961. In 2013, TV Guide ranked Family Guy as the ninth-greatest TV cartoon. The series has also garnered considerable amounts of criticism and controversy, ranging from storylines, character stereotypes, and violence, to allegations of racism, homophobia, and misogyny.

Many tie-in media based on the show have been released, including *Stewie Griffin: The Untold Story*, a straight-to-DVD special released in 2005; *Family Guy: Live in Vegas*, a soundtrack-DVD combo released in 2005, featuring music from the show as well as music created by MacFarlane and Walter Murphy; a video game and pinball machine, released in 2006 and 2007, respectively; since 2005, six books published by Harper Adult; and *Laugh It Up, Fuzzball: The Family Guy Trilogy* (2010), a collection of three episodes parodying the original *Star Wars* trilogy. A spin-off series, *The Cleveland Show*, featuring Cleveland Brown, aired from September 27, 2009, to May 19, 2013.

Family Guy moved to Wednesday nights beginning March 6, 2024, marking the show's first weeknight airings since 2002. On December 27, 2024, it was announced that the series would be moving back to Sundays and would air at the 8:00 p.m. timeslot. This would mark the first time Family Guy airs at the 8:00 p.m. timeslot since the episode "Brian's Got a Brand New Bag" aired on November 8, 2009. Following the two Hulu specials in late 2024, the remainder of season 23 premiered on February 16, 2025. On April 24, 2025, it was announced that Family Guy would air as part of Fox's summer programming lineup, and would move to Thursdays. The summer premiere began on May 29 at 9 pm ET, and concluded on July 17, 2025.

On May 16, 2025, it was announced that season 24 would premiere in spring 2026.

Informbiro period

number of members of Yugoslavia's security apparatus and its military. This break with the Eastern Bloc caused significant economic difficulties for Yugoslavia

The Informbiro period was an era of Yugoslavia's history following the Tito–Stalin split in mid-1948 that lasted until the country's partial rapprochement with the Soviet Union in 1955 with the signing of the Belgrade declaration. After World War II in Yugoslavia, Yugoslavia's new leadership under Josip Broz Tito pursued a foreign policy that did not align with the Eastern Bloc. Eventually, this led to public conflict, but the Yugoslav leadership decided not to acquiesce to Soviet demands, despite significant external and internal

pressures. The period saw the persecution of the political opposition in Yugoslavia, resulting in thousands being imprisoned, exiled, or sent to forced labour. 100 Yugoslav citizens were seriously wounded or killed between 1948 and 1953 while some sources claim 400 victims during the existence of the Goli Otok prison camp. The purges included a significant number of members of Yugoslavia's security apparatus and its military.

This break with the Eastern Bloc caused significant economic difficulties for Yugoslavia as the country relied on trade with the USSR and Soviet allies. Economic pressures within the country led to reforms that would ultimately result in the introduction of socialist self-management and increased decentralisation of the country through constitutional amendments formalising the reforms.

The United States saw the rift between the Eastern Bloc and Yugoslavia as an opportunity during the Cold War to fragment the Eastern Bloc further and consequently provided economic and military aid, loans, and diplomatic support to the country. The new foreign policy circumstances led Tito to end Yugoslav support of Communist forces in the Greek Civil War and concluded the Balkan Pact, an agreement of cooperation and defence with Greece and Turkey.

The period had an impact on Yugoslavia's contemporary art and popular culture, as artists were encouraged to seek inspiration in the wartime struggle of the Yugoslav Partisans and the construction of new infrastructure. Decades later, many literary works and films covered the era's events.

The descriptor "Informbiro period" arose from the Communist Information Bureau, an organisation initiated by Stalin that had aimed to reduce divergence among communist governments.

Prison Break season 5

The fifth and final season of Prison Break (also known as Prison Break: Resurrection) is a limited event television series and a revival of the original

The fifth and final season of Prison Break (also known as Prison Break: Resurrection) is a limited event television series and a revival of the original series created by Paul Scheuring that aired on Fox from 2005 to 2009. The season is produced by 20th Century Fox Television in association with Adelstein Productions, Dawn Olmstead Productions, One Light Road Productions and Original Film. Paul Scheuring serves as showrunner, with himself, Marty Adelstein, Neal H. Moritz and Dawn Olmstead, Vaun Wilmott, Michael Horowitz and Nelson McCormick serving as executive producers. McCormick also serves as director. The season premiered on April 4, 2017, and concluded on May 30, 2017, consisting of 9 episodes.

Wentworth Miller and Dominic Purcell reprise their respective roles as Michael Scofield and Lincoln Burrows, while Sarah Wayne Callies, Amaury Nolasco, Paul Adelstein, Robert Knepper and Rockmond Dunbar also return from the original series. New cast additions include Mark Feuerstein, Inbar Lavi, Augustus Prew, Marina Benedict, Rick Yune and Steve Mouzakis. A pilot was ordered in August 2015 and the series was greenlit in January 2016. Production on the series began in April 2016 and filming took place in Vancouver and the Moroccan cities of Rabat, Casablanca, and Ouarzazate.
