Publisher description

## United States of America V. Giacomino

Preoccupied with the nature of truth and delusion, and treading dangerously on the borderline between sanity and madness, Pirandello's plays are a daring exploration of human actions and the dark motives lying behind them, and the culmination of the naturalistic school of theatre inaugurated by authors such as Ibsen and Chekhov. This volume contains some of Pirandello's most famous plays, including *Six Characters in Search of an Author*, *Henry IV* and *The Life That I Gave Thee*, as well as several of his lesser-known works for the stage.

The *Encyclopedia of Italian Literary Studies* is a two-volume reference book containing some 600 entries on all aspects of Italian literary culture. It includes analytical essays on authors and works, from the most important figures of Italian literature to little known authors and works that are influential to the field. The *Encyclopedia* is distinguished by substantial articles on critics, themes, genres, schools, historical surveys, and other topics related to the overall subject of Italian literary studies. The *Encyclopedia* also includes writers and subjects of contemporary interest, such as those relating to journalism, film, media, children's literature, food and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and, in the case of entries on individuals, a brief biographical paragraph and list of works by the person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.

## The 'De Jerusalem Celesti' and the 'De Babilonia Infernali' of Fra Giacomino Da Verona

First published in 2004, *Medieval Italy: An Encyclopedia* provides an introduction to the many and diverse facets of Italian civilization from the late Roman empire to the end of the fourteenth century. It presents in two volumes articles on a wide range of topics including history, literature, art, music, urban development, commerce and economics, social and political institutions, religion and hagiography, philosophy and science. This illustrated, A-Z reference is a cross-disciplinary resource and will be of key interest not only to students and scholars of history but also to those studying a range of subjects, as well as the general reader.

Pirandello, winner of the Nobel Prize in Literature, is a little known to most English readers. Too few of his plays and stories have been translated. This hook, therefore, serves the double purpose of introducing the

Italian genius through a summary of all his dramatic work and interpreting his accomplishments from an artistic viewpoint. As a background for his criticism, the Domenico Vittorini shows first how Pirandello's compassionate pessimism and tragic mockery resulted from his own tortured existence and in what way his art is related to Italian literary tradition and contemporary thought. Proceeding chronologically, Pirandello's growth is traced from the elementary naturalism of his early writing, through his more reflective plays, to the crowning achievements of later years in which dramatic situations are approached from a highly intellectualized point of view.

## **Routledge Revivals: Medieval Italy (2004)**

This book presents a contrastive analysis of various forms of address used in English and Italian from the perspective of cultural semantics, the branch of linguistics which investigates the relationship between meaning and culture in discourse. The objects of the analysis are the interactional meanings expressed by different forms of address in these two languages, which are compared adopting the methodology of the Natural Semantic Metalanguage. The forms analyzed include greetings, titles and opening and closing salutations used in letters and e-mails in the two languages. Noticeably, the book presents the first complete categorization of Italian titles used as forms of address ever made on the basis of precise semantic criteria. The analysis also investigates the different cultural values and assumptions underlying address practices in English and Italian, and emphasizes the risks of miscommunication caused by different address practices in intercultural interactions. Every chapter presents numerous examples taken from language corpora, contemporary English and Italian literature and personal e-mails and letters. The book encourages a new, innovative approach to the analysis of forms of address: it proposes a new analytical method for the analysis of forms of address which can be applied to the study of other languages systematically. In addition, the book emphasizes the role of culture in address practices and takes meaning as the basis for understanding the differences in use across languages and the difficulties in translating forms of address of different languages. Combining semantics, ethnopragmatics, intercultural communication and translation theory, this book is aimed at a very broad readership which includes not only scholars in linguistics, second-language learners and students of cross-cultural communication, but virtually anyone interested in Italian and English linguistics as well as in cultural semantics. The approach taken is interdisciplinary and brings together various fields in the social sciences: linguistics, anthropology, cross-cultural studies and sociology.

BRAIDED IN FIRE is the stirring author's search to understand the drama that unfolded between the Italian peasants and African-American infantrymen of the 366th Infantry Regiment, - attached to the celebrated \"Buffalo Division, 92nd Infantry\"- whose lives were lost, or changed irrevocably by a village battle in Tuscany during the Battle of Garfagnana. Cultures and relationships are intertwined to become BRAIDED IN FIRE in Sommocolonia, a medieval Tuscan village in the Apennines directly on the highly fortified Third Reich's 'Gothic Line' stretching across northern Italy. Only at Sommocolonia did attacking German troops break through that formidable line, with dire consequences to the inhabitants and their defenders, a handful of black GIs, who were outnumbered three to one by the Axis troops. In the desperate fight, Lt. John Fox sacrificed himself with supreme heroism. (He was posthumously awarded the Medal of Honor 52 years later.) Although the military action, (and tragic inaction of certain senior white officers), is described in detail, BRAIDED IN FIRE is not just military history, but tells of the human toll of war: the drama, the folly, the heartache – all present in grand measure for two peoples marginalized over the years for reasons of race and economic circumstances. BRAIDED IN FIRE is a celebration of human dignity in desperate circumstances. This book is painted in a narrative befitting the beauty and rich hues of the Tuscan hills and

its people, juxtaposed by the toils of a segregated America in black versus white, even while in Army green. Together these two worlds are **BRAIDED IN FIRE** with all of the passion, heartbreak, and violence of war, ultimately providing the reader with a redemptive peace, and cultural harmony. Praise for **BRAIDED IN FIRE** Braided in Fire tells the story of Lieutenant John Fox, a forward artillery observer and posthumous Medal of Honor recipient, who directed friendly artillery fire on his own position as German troops overran Sommocolonia, Italy, on December 26, 1944. Fox's selfless sacrifice went unrecognized by the U.S. government for half a century simply because he was black. Solace Wales has invested decades in researching this instance of forgotten valor, producing a rich tapestry that interweaves the experiences of the black GIs and Italian villagers caught in the hellish maelstrom that engulfed Sommocolonia the day John Fox died. The result is a moving meditation on the cost of war and a tribute to the African Americans who fought for a country that treated them like second-class citizens. ~ Gregory J.W. Urwin, Professor of History, Temple University, author of *Facing Fearful Odds: The Siege of Wake Island Braided with Fire* vividly recounts the intertwined histories of the small Italian town of Sommocolonia and the black 366th Infantry Regiment, which intersected during the German Winter Storm Offensive in December 1944. At the center of Solace Wales' story are the brave Biondi family and forward artillery observer Lieutenant John Fox, who won the Medal of Honor for his heroism in Sommocolonia. Thoroughly researched and dramatically retold, *Braided with Fire* adds a valuable new page to our understanding of the Second World War. ~ Ian Ona Johnson, P.J. Moran Assistant Professor of Military History, the University of Notre Dame Solace Wales contributes a remarkable, unique account which is not available anywhere else. . . Because of her gracious literary style, she vividly captures the ways in which the African American soldiers and the Italians of Sommocolonia's lives became intertwined. The book breaks new ground. ~ Carolyn Ross Johnston, author of *My Father's War: Fighting with the Buffalo Soldiers in World War II*

## Gender and the Italian Stage

A cura di Sergio Campailla Edizioni integrali In Pensaci, Giacomino! si intrecciano alcune delle più tipiche tematiche pirandelliane. Il professor Toti vuol sposare la giovane Lillina, incinta di Giacomino: è disposto a vivere in un ménage à trois pur di garantirle, una volta morto, la propria pensione e gabbare lo Stato; bisognerà però fare i conti con il perbenismo della provincia siciliana. *Lumie di Sicilia*, prima opera di Pirandello a essere rappresentata in teatro, narra la storia di Micuccio e della sua amata Teresina. È stato lui, umile suonatore, a scoprire le doti canore della ragazza e ad aiutarla a raggiungere il successo, ma quando la rincontra, ormai corrotta e dissoluta, viene da lei bistrattato e umiliato. La giara è infine la quintessenza dell'umorismo pirandelliano: don Lolò e Zi' Dima sono due figure antitetiche eppure profondamente simili, testarde, radicate nell'universo di valori contadino e, a modo loro, grottesche. «Ma signor avvocato, io non ci ho badato perché, da tant'anni che faccio questo mestiere, di giare ne ho accomodate centinaja, e tutte sempre da dentro, per fermare i punti come l'arte comanda. Non m'era mai avvenuto il caso di non poterne più uscire.» Luigi Pirandello nato ad Agrigento nel 1867, si laureò in filologia a Bonn nel 1891. Iniziò la sua attività letteraria e teatrale quando Capuana lo introdusse nel mondo culturale romano. Dal 1897 al 1922 si dedicò all'insegnamento. Nel 1934 gli fu assegnato il premio Nobel per la letteratura. Morì a Roma nel 1936. Di Luigi Pirandello la Newton Compton ha pubblicato molte opere in volumi singoli e i volumi unici I romanzi, le novelle e il teatro; Tutti i romanzi e Novelle per un anno.

## Braided in Fire

Il piccolo Giacomino, pur se circondato dall'amore, la sera nella sua camera si sentiva tanto solo. Avrebbe voluto tanto dei fratellini con cui giocare e condividere il tempo la sera prima di andare a letto. L'asinello dei desideri in una notte tempestosa arrivò in suo soccorso, per portarlo nel mondo magico, dove ebbe modo di soddisfare tutti i suoi desideri. L'avventura la fece terminare proprio lui, Giacomino: troppa la nostalgia per la sua famiglia. Ma quando andò a rivivere la seconda avventura nel mondo magico, dopo che la vita gli fu completamente stravolta dalle azioni magiche ricevute nella prima da parte della fata del mare, le cose non andarono come immaginava...ma in maniera molto diversa poichè di magico non c'era proprio nulla: la violazione di un incantesimo da parte del suo amico orso, Brunone, ebbe conseguenze drammatiche; e

Giacomino visse dei momenti sconcertanti, a tal punto che avrebbe voluto tornare a casa. Ma per farlo bisognava ripristinare l'equilibrio magico. Le conseguenze sarebbero state devastanti se nessuno fosse riuscito a ripristinarlo. Il piccolo Giacomino si ritrovò addirittura a vivere nel passato con chi prima del drammatico evento aveva il potere assoluto su tutto il mondo magico: il Signore del tempo. Giacomino non sapeva che la soluzione per riportare l'equilibrio magico ce l'aveva proprio lui ...

November 2 is a special day in Sicily. The Day of the Dead is considered an important festival, when children receive gifts from the dead and eat special bone-shaped cakes. Cemeteries are overcrowded with people walking in the lanes, placing flowers at gravesites, and lighting candles in their tombs. Many Sicilian tombs look like small houses: They contain a room, an altar, and marble-walled niches. Mario Chiaramonte goes to the cemetery on this day. Besides visiting the tombs of his relatives and friends, he strolls throughout the graveyard. On his walk, he stumbles on some special tombs. A few have an epitaph carved on the tombstone or above the altar. The tombs he visits house the bodies of a Mafia boss, a literary man, a poet, a nobleman, and more. Mario recalls the salient moments of their lives, and at the same time sees himself from a different detached perspective. Romance, adventure, life, death, the Mafia, good and evil, racism, and impermanence are themes throughout the novel. November 2: The Day of the Dead in Sicily is thought-provoking and captivating from beginning to end.

## **The Decameron of Giovanni Boccaccio**

Lauro Martines' exhaustive search of manuscript material in the state archives of Florence is the basis for a fascinating portrayal of representative humanists of the period. The Social World of the Florentine Humanists explores the wealth, family tradition, civic prominence, and intellectual achievements of these individuals while assessing the attitudes of other Florentines towards them. Martines demonstrates that humanists tended

to be wealthy educated men from important families, challenging long-held assumptions about the status of humanists in that society. First published in 1963, this groundbreaking study provides a detailed picture of the social structure of Florence in the Quattrocento. Martines's work influenced a generation of scholars and illuminated a complex and multifaceted world.

## **In Another Place**

The study has its origins in the discovery the fragment of a poem from the 'school' of Friedrich II of Hohenstaufen. It is the oldest extant written example of Sicilian lyric poetry. The volume is divided into three interconnected parts: the first presents and interprets the sources; the second is devoted to methodology, editions and commentaries; the third discusses the origins and written traditions of Italian lyric poetry, its relations to the courtly culture of the West, and its reception, the latter with special reference to Dante.
