Plato's Timaeus (63) - Plato's Timaeus (63) 1 hour, 37 minutes - This video is about Plato's Timaeus.

Cosmology

Nature of the Soul

Permanency

Power of the Soul

The Essence of Soul

Triple Essence

Theology

The Supreme Originating Principle of the Universe

So There's a Living Intellectual Thing That Exists Sometimes Called a Intelligent Living Creature this Therefore Is Called the Intelligent Living Creature because of Vitality to It and Intellect about It and It Has Its Own Possibility of Going Right Turning upon Itself Therefore this Then Is a Copy of It and Therefore this Becomes this Is the Realm Where We Are and all Other Living Creatures this Must Then Include all Intelligent Living Creatures or all Intellectuals Were Put in another Way the Vital Intelligible X'primordial Basic Patterns of all That Is Has a Life and a Vitality and this Is Sometimes Also Called the Forms

And Therefore this Becomes this Is the Realm Where We Are and all Other Living Creatures this Must Then Include all Intelligent Living Creatures or all Intellectuals Were Put in another Way the Vital Intelligible X'primordial Basic Patterns of all That Is Has a Life and a Vitality and this Is Sometimes Also Called the Forms Now in Order for this Becoming those Universe To Come into Existence Right It Has To Be Made Visible Has To Be Made Visible Has To Be Made Tangible and As Well the Principle of Visibility Is Light or Fire and the Principle of Anything Tangible Is Earth So Therefore Necessarily before that Universe To Come into Existence the Way in Which It Has Come into Existence To Be Visible Intangible Necessarily the Prime Not Print the Primal Elements Must Be Fire and Earth

So Therefore Necessarily before that Universe To Come into Existence the Way in Which It Has Come into Existence To Be Visible Intangible Necessarily the Prime Not Print the Primal Elements Must Be Fire and Earth and Two Things of Course CanNot Be Joined without a Third because You Need Something To Bind Them Together and Whenever You Have Two Things Bound to the Third That's a Mean Analogy and When You Have a Three-Dimensional Space You Need Four Terms Not Three and Therefore between these He Introduces to Others Water and Air Now They Are Principles They Are Not Fire on Earth and Water and Air Right but It Is Whatever It Is that Makes Things Visible

And When You Have a Three-Dimensional Space You Need Four Terms Not Three and Therefore between these He Introduces to Others Water and Air Now They Are Principles They Are Not Fire on Earth and Water and Air Right but It Is Whatever It Is that Makes Things Visible Whatever It Is that Makes Things Tangible Whatever It Is That Make Things Fluid and Moving in a Flow Right Whatever It Is that Can Bring Things into a Vitality Air Therefore these Are the Primary So Called Elements Understood in Their Sense Rather than Are Wrong They Stand to One another in Analogies

So Air Is the Water as Fire as Two Air Water Is To Hurt those Areas To Water What Does that Mean that Means that all of the Basic Primal Elements or Basic Fundamental Principles Are Brought Together into an Analogy Which Means They Are Harmonized and if They Are Harmonized Their Harmony Is Not Only because They'Re Put in an Analogy but They'Re Created in Such a Way They Can Fit into an Analogy Therefore by Necessity They Are Harmonized and that Therefore Allows Us To Say these Things Brought the Current Universe into Existence Now Let's See if We Can I'D Like To Read Something for You

But They'Re Created in Such a Way They Can Fit into an Analogy Therefore by Necessity They Are Harmonized and that Therefore Allows Us To Say these Things Brought the Current Universe into Existence Now Let's See if We Can I'D Like To Read Something for You First I Talked about this in Two Series of Analogies a Three Terminal Four Terminology and the Most Beautiful of Bonds Is that Which Most Perfectly Unites into One both Itself from the Things Which It Binds Together and To Effect this in the Most Beautiful Manner Is the Natural Property of Analogy Therefore Analogy Is a Fundamental Bond Right All this It's a Bond

And the Most Beautiful of Bonds Is that Which Most Perfectly Unites into One both Itself from the Things Which It Binds Together and To Effect this in the Most Beautiful Manner Is the Natural Property of Analogy Therefore Analogy Is a Fundamental Bond Right All this It's a Bond It's Brought Together Harmonized and Brought Together It Is a Bond It's a Fundamental Bond That Keeps Everything in Analogical Relationships and Therefore an Analogical Remain Relationships Therefore Keeps Them in Such a Way That Can Be Said To Be Harmonized with One another in the Most Beautiful Possible Way and Therefore the Infinity Which Is the behind all of the Infinitude of Forms and the Infinite Power of the Universe Can Be Then Said To Have Its Counterpart the Bound the Bond Shows Itself in Analogical Constructions the Major Terms with Analogical the Constructions Come out of What Appears To Be Necessary

It's a Fundamental Bond That Keeps Everything in Analogical Relationships and Therefore an Analogical Remain Relationships Therefore Keeps Them in Such a Way That Can Be Said To Be Harmonized with One another in the Most Beautiful Possible Way and Therefore the Infinity Which Is the behind all of the Infinitude of Forms and the Infinite Power of the Universe Can Be Then Said To Have Its Counterpart the Bound the Bond Shows Itself in Analogical Constructions the Major Terms with Analogical the Constructions Come out of What Appears To Be Necessary Given a Metaphysical Universe in Which Man Can Then Be Brought To Know Let's See if We Can See that Now Matter of Fact Let Me Read It for You

... but Others Extend to **Many**, as Arithmetic to Philosophy ...

And from Numbers Ratios Harmonic Ratios and Likewise that He Places in It the Principles of Figures Divine Motions in Order that by Causally Comprehending the Reasons of all Disciplines and of Dialectic It Might Thus Know all Things the Essences the Numbers the Harmonies the Figures and the Motions Poles Consist It Seems Likewise that He Constitutes the Soul as Being Allied to Intelligible Z-- from the General Being Which Primarily Subsist in Them but that He Gives Figures to Soul as Being Allied to Sensible X'. for Things Which Are Truly Figured Are Sensible X'and that as Being a Medium between Intelligible x'and Sensible X'he Binds It with a Harmonic Ratios

And the Motions Poles Consist It Seems Likewise that He Constitutes the Soul as Being Allied to Intelligible Z-- from the General Being Which Primarily Subsist in Them but that He Gives Figures to Soul as Being Allied to Sensible X'. for Things Which Are Truly Figured Are Sensible X'and that as Being a Medium between Intelligible x'and Sensible X'he Binds It with a Harmonic Ratios though in Intelligible Forms Also for There the Form of Harmony

For Things Which Are Truly Figured Are Sensible X'and that as Being a Medium between Intelligible x'and Sensible X'he Binds It with a Harmonic Ratios though in Intelligible Forms Also for There the Form of Harmony and the Form of Figure So within Us Therefore Right Now this Is Taking Off Now So within Us Therefore Are these Things Built within the Soul Itself and that Allows Us Therefore To Comprehend the Reasons for All the Disciplines All the Things We Want To Know and the Dialectic and Thus We Can Know all Things Where We Can Know all Things because the Very Things That We Need To Know Them Are Built within the Nature of the Soul

' S Nothing To See To Talk about It this Way We Really Mean that Being Isn't Dead It's Really Being Primarily but It Also Has a Vitality and an Intellect to It so We Can Talk about this Part of Being as the Intellect of Pure Being We Can Talk about this Part of It as Being the Vitality of Pure Being Right Right in Other Words We Can Make Three Distinctions in One Repeating Itself Therefore in the Same Way Now We Can Talk about Intellect

And Therefore for Plato the Whole Universe Much like a Body Much like Our Own Body When We Touch any Part of this There's the Communication That Goes throughout the Whole of It for Plato Therefore the Whole Universe Is a Living Entity That Knows Itself Forever It Experiences Would Enter Whenever It Experiences So There's Communication in the Entire Universe for the Plato's World so You'Re Asking I Think the Next Question Was How Do You Go from Soul in General to Particular Souls Such as You Want

Well in the Same Way That Wherever You Touch Yourself There Has To Be for that Same Analogy To Fit Therefore Wherever You Touch You and Immediately Feel Therefore throughout the Whole Must Be that Sense of a Soul and Therefore One of the Platonic Yoga's Is the Separation the Soul from the Body Is by Drawing It Together from all Parts of the Body into a Unity outside of the Body
