That's when Fashion Revolution was born

Orsola De Castro is one of the co-founders of the Fashion Revolution

A global movement aimed at bringing people and organizations together

Everyone is talking about sustainability in the fashion industry

There are roughly 40 million garment workers in the world today

Global clothing production has more than doubled since 2000

More than 15 million tons of used textile waste is generated each year in the United States.

There's very little technology at the moment to actually recycle clothings into the type of fibre that can go back into clothmaking
