The ulnar nerve is a nerve that runs near the ulna, one of the two long bones in the forearm. The ulnar collateral ligament of elbow joint is in relation with the ulnar nerve. The nerve is the largest in the human body unprotected by muscle or bone, so injury is common. This nerve is directly connected to the little finger, and the adjacent half of the ring finger, innervating the palmar aspect of these fingers, including both front and back of the tips, perhaps as far back as the fingernail beds.

This nerve can cause an electric shock-like sensation by striking the medial epicondyle of the humerus posteriorly, or inferiorly with the elbow flexed. The ulnar nerve is trapped between the bone and the overlying skin at this point. This is commonly referred to as bumping one's "funny bone". This name is thought to be a pun, based on the sound resemblance between the name of the bone of the upper arm, the humerus, and the word "humorous". Alternatively, according to the Oxford English Dictionary, it may refer to "the peculiar sensation experienced when it is struck".

Akshay Hari Om Bhatia (born Rajiv Hari Om Bhatia; 9 September 1967), known professionally as Akshay Kumar (pronounced [ʔkʰʌʔj kʰʌmaʔ]), is an Indian actor and film producer working in Hindi cinema. Referred to in the media as "Khiladi Kumar", through his career spanning over 30 years, Kumar has appeared in over 150 films and has won several awards, including two National Film Awards and two Filmfare Awards. He received the Padma Shri, India's fourth-highest civilian honour, from the Government of India in 2009. Kumar is one of the most prolific actors in Indian cinema. Forbes included Kumar in their lists of both highest-paid celebrities and highest-paid actors in the world from 2015 to 2020. Between 2019 and 2020, he was the only Indian on both lists.

Kumar began his career in 1991 with Saugandh and had his first commercial success a year later with the action thriller Khiladi. The film established him as an action star in the 1990s and led to several films in the Khiladi film series, in addition to other action films such as Mohra (1994) and Jaanwar (1999). Although his early tryst with romance in Yeh Dillagi (1994) was positively received, it was in the next decade that Kumar

expanded his range of roles. He gained recognition for the romantic films *Dhadkan* (2000), *Andaaz* (2003), *Namastey London* (2007), and for his slapstick comic performances in several films including *Hera Pheri* (2000), *Mujhse Shaadi Karogi* (2004), *Phir Hera Pheri* (2006), *Bhool Bhulaiyaa* (2007), and *Singh Is Kinng* (2008). Kumar won Filmfare Awards for his negative role in *Ajnabee* (2001) and his comic performance in *Garam Masala* (2005).

While his career had fluctuated commercially, his mainstream success soared in 2007 with four consecutive box-office hits; it was consistent until a short period of decline between 2009 and 2011, after which he reinforced his status with several films, including *Rowdy Rathore* (2012) and *Holiday* (2014). Moreover, around this time critical response to several of his films improved; his work in *Special 26* (2013), *Baby* (2015), *Airlift* (2016), and *Jolly LLB 2* (2017) was acclaimed, and he won the National Film Award for Best Actor for the crime thriller *Rustom* (2016). He earned further notice for his self-produced social films *Toilet: Ek Prem Katha* (2017) and *Pad Man* (2018), as well as the war film *Kesari* (2019), and set box-office records in 2019 with *Kesari*, *Mission Mangal*, *Housefull 4*, *Good Newwz*, and the 2021 action film *Sooryavanshi*. All of Kumar's subsequent theatrical releases failed commercially, with the exception of the comedy-drama *OMG 2* (2023).

In addition to acting, Kumar has worked as a stunt actor. In 2008, he started hosting *Fear Factor: Khatron Ke Khiladi*, which he did for four seasons. He also launched the TV reality show *Dare 2 Dance* in 2014 and his off-screen work includes ownership of the team *Khalsa Warriors* in the *World Kabaddi League*. The actor had also set up martial arts training schools for women safety in the country. Kumar is one of the India's most philanthropic actor and supports various charities. He is a leading brand endorser celebrity in India. From 2011 to 2023, he was a citizen of Canada.

Care Bears: Journey to Joke-a-lot is a 2004 animated musical adventure film, produced by Nelvana Limited and released by Lions Gate Home Entertainment. It was the first Nelvana Limited co-production featuring the Care Bears in the last 24 years, since the *Care Bears Nutcracker Suite* television film in 1988. Directed by Mike Fallows and written by Jeffrey Alan Schecter, this was the fourth film to star the Care Bears and their first in 17 years. This was also the first one in the franchise to be computer-animated.

The film centres on Funshine Bear, a Care Bear who loves to laugh and tell jokes. After one of his jokes backfires against Grumpy, another of the Bears, Funshine runs away to find a place where others can appreciate his talents better. He discovers a town known as Joke-a-lot, where laughter and humour are the order of the day, and soon becomes the area's "King". Unknown to the Bear, a rat named Sir Funnybone is using him that way in order to possess an important object called the Royal Sceptre.

Journey to Joke-a-lot premiered in the United States on October 5, 2004, direct-to-video through Lions Gate Home Entertainment, and was subsequently released in 2005 in international territories through Universal Pictures Video. It received generally positive reviews, although the computer animation was singled out. In the midst of this installment's success, Lions Gate released a 2005 sequel, *The Care Bears' Big Wish Movie*. A soundtrack album, featuring the film's songs and some original tracks, was released by Madacy Kids on the same day as the film's debut.

Pad Man is a 2018 social comedy-drama film written and directed by R. Balki. A co-production between India and the United States, it stars Akshay Kumar, Sonam Kapoor, and Radhika Apte in the lead roles with an ensemble supporting cast. The film is based on the life of Arunachalam Muruganantham, a social activist and entrepreneur from Coimbatore, Tamil Nadu who made low-cost sanitary pads for women in rural areas. His journey was chronicled by Twinkle Khanna in her fictional story The Legend of Lakshmi Prasad.

The idea to adapt Murugan's life began in 2015 when Khanna, who served as a co-producer on the film, came across his story while doing a research for a column in The Times of India. Inspired and moved by his persistence and determination, she wrote about him in her book, The Legend of Lakshmi Prasad (2016). In November 2017, Sony Pictures became the global distributor for the film. Principal photography commenced on 14 March. The majority of the film was shot in the small town of Maheshwar beside the Narmada River in Madhya Pradesh. After filming ended in India, the team travelled to New York City where pivotal scenes were filmed at the Times Square and Lincoln Center, as well as at the United Nations headquarters. Muruganantham worked closely with R. Balki, Kumar and Khanna on set in India, making sure every detail was accurate from the way he built his machine, to how to operate it, even his own posture.

Pad Man was initially scheduled to open in cinemas on 25 January 2018, during Republic Day. The film was ultimately released theatrically in India on 9 February 2018, thus becoming the first Hindi film to premiere at the Russia box office on its original date. Upon release, it was a critical and commercial success and performed well especially in India and China, with a worldwide gross of ₹207.73 crore. It won the National Film Award for Best Film on Other Social Issues.
