In arithmetic and algebra, the fifth power or sursolid of a number n is the result of multiplying five instances of n together:

$$n^5 = n \times n \times n \times n \times n.$$

Fifth powers are also formed by multiplying a number by its fourth power, or the square of a number by its cube.

Shrek 5 is an upcoming American animated fantasy comedy film loosely based on the 1990 children's picture book Shrek! by William Steig, produced by DreamWorks Animation and distributed by Universal Pictures. The sequel to Shrek Forever After (2010), it serves as the fifth main installment and the seventh overall installment in the Shrek film series. The film is directed by Walt Dohrn and Conrad Vernon and co-directed by Brad Ableson from a screenplay written by Michael McCullers, and produced by Illumination CEO Chris Meledandri and Gina Shay. Mike Myers, Eddie Murphy, and Cameron Diaz will reprise their respective voice roles as the title character, Donkey, and Princess Fiona from the previous films, with Zendaya joining the cast.

A fifth Shrek film was initially planned after the release of Shrek 2 (2004) with a 2013 release date in mind. However, when former DreamWorks CEO Jeffrey Katzenberg decided to end the franchise in its fourth film, plans for a fifth installment were abandoned and Shrek Forever After was released as the last Shrek film. In 2016, Universal Pictures announced intentions to develop a fifth Shrek film when its parent company, NBCUniversal, bought DreamWorks Animation, with updates following from September 2016 to February 2025, when it was officially announced with a teaser trailer.

Shrek 5 is scheduled to be theatrically released in the United States on June 30, 2027.

Maroon 5 is an American pop rock band from Los Angeles, California. It consists of lead vocalist and guitarist Adam Levine, rhythm guitarist and keyboardist Jesse Carmichael, lead guitarist James Valentine, drummer Matt Flynn, keyboardist PJ Morton, and bassist and keyboardist Sam Farrar. Original members Levine, Carmichael, bassist Mickey Madden, and drummer Ryan Dusick first came together as Kara's Flowers in February 6, 1994, while they were in high school.

After self-releasing their independent album ...We Like Digging?, the band signed to Reprise Records and released the album *The Fourth World* in 1997. The album garnered a tepid response, after which the record label dropped the band and the members focused on college. In 2001, the band re-emerged as Maroon 5, pursuing a different direction and adding guitarist Valentine. The band signed with Octone Records, an independent record label with a separate joint venture relationship with J Records and released their debut album *Songs About Jane* in 2002. Aided by the hit singles "Harder to Breathe", "This Love" and "She Will Be Loved", the album peaked at number six on the *Billboard 200* chart and went quadruple platinum in 2005. In the same year, the band won the Grammy Award for Best New Artist. In 2006, Dusick left the band after suffering from serious wrist and shoulder injuries and was replaced by Matt Flynn.

The band's second album *It Won't Be Soon Before Long* was released in 2007. It debuted at number one on the US *Billboard 200* chart and the lead single "Makes Me Wonder", became the band's first number-one single on the *Billboard Hot 100*. In 2010, the band released their third album *Hands All Over*, to favorable reviews, re-releasing a year later to include the single "Moves like Jagger", which topped the *Billboard Hot 100*. In 2012, Carmichael took a break from the band and was replaced by keyboardist PJ Morton as the band recorded the fourth album *Overexposed*, which was released in 2012, with lead single "One More Night" topping the *Billboard Hot 100* chart for nine consecutive weeks.

In 2014, Carmichael rejoined the band alongside Morton to record the fifth album *V* (roman numeral pronounced "five"), released on Interscope Records and Levine's own label 222 Records and reaching number one on the *Billboard 200*. In 2016, Maroon 5 added long-time collaborator Sam Farrar to their official lineup as the band continued for the sixth studio album *Red Pill Blues*, released in 2017. With the addition of Morton and Farrar, the band's lineup increased to seven members. The successful singles of both albums "Sugar" and "Girls Like You" peaked at numbers two and one on the *Hot 100* chart respectively. Madden announced his departure from the band in 2020 following his arrest on domestic violence charges, with Farrar becoming their new bassist. The band's seventh album, *Jordi*, was released on June 11, 2021. The band's eighth album, *Love Is Like*, was released on August 15, 2025.

Maroon 5 has sold more than 135 million records, making them one of the world's best-selling music artists. In January 2023, it was announced "Moves like Jagger" is the second most downloaded song of all time.
