Intro

I always take risks.

Welcome to this PERSONALITY TEST training tutorial.

The TOP 10 SKILLS, QUALITIES \u0026 PERSONALITY TRAITS employers look for.

I remain calm in stressful situations.

I am easily irritated.

I get nervous talking to people don't know.

I often get annoyed with people who get things wrong.

I find it easy to form close relationships.

I am reluctant to get involved with other people's welfare.

I refuse to concede an argument.

I make an effort to get to know everyone I work with.

I am never the leader amongst a group of people.

Mock PERSONALITY TEST walk-through!

I make the people I work with feel at ease.

I prefer obedient people as opposed to carefree people.

You have to look after number one.

I usually adapt my behaviour so I work better with people.

I work best if I am working in a team.

I consider myself an unselfish person.

You can't judge a book by its cover.

Everyone should be treated equally.

I am reserved and shy.

I like to follow the crowd.

It is important to feel like you are part of something 'big' and 'exciting'.

I am always realistic, even if that means being negative.

I would do overtime in order to get closer to my goals.
