Nesh

Nesh is an English dialect adjective meaning 'unusually susceptible to cold weather' and there is no synonym for this use. The Oxford English Dictionary defines the word as: "Soft in texture or consistency; yielding easily to pressure or force. In later use chiefly: tender, succulent, juicy."

Usage in the 21st century has been recorded in Staffordshire, the East Midlands, Lancashire, North Wales, South Yorkshire, Shropshire and Herefordshire. There is a similar term nish used in Newfoundland. In 1905, Volume 4 of the English Dialect Dictionary specified the word as being used more widely, in many dialects across England, Scotland and the United States.

The word comes from Old English hnesce meaning feeble, weak, or infirm. and is a cognate with the 16th century Dutch word nesch typically meaning damp or foolish. The Oxford English Dictionary notes that some etymologists have suggested a connection with Old High German nasc, meaning 'to eat dainty food or delicacies' (the origin of the word nosh), but it dismisses this connection as "unlikely".

Nesh was added, in 2011, to the British Library 'wordbank', a project to preserve regional dialect words and phrases.

Duck Amuck

Duck Amuck is an American animated surreal comedy short film directed by Chuck Jones and written by Michael Maltese. The short was released on February 28, 1953, as part of the Merrie Melodies series, and stars Daffy Duck.

In the cartoon, Daffy Duck is tormented by an unseen and mischievous animator, who constantly changes Daffy's locations, clothing, voice, physical appearance and even shape, much to Daffy's aggravation, embarrassment and finally rage. Pandemonium reigns throughout the cartoon as Daffy attempts to steer the action back to some kind of normality, only for the animator to either ignore him or, more frequently, to over-literally interpret his increasingly frantic demands. In the end, the tormenting animator is revealed to be Bugs Bunny.

In 1994, it was voted #2 of The 50 Greatest Cartoons of all time by members of the animation field, behind only What's Opera, Doc?, also directed by Jones and written by Maltese. In 1999, Duck Amuck was added to the National Film Registry for being "culturally, historically, or aesthetically significant."

The short inspired the 2007 Nintendo DS game Looney Tunes: Duck Amuck.

Duck Dynasty is an American reality television series that aired on A&E from 2012 to 2017. The series portrays the lives of the Robertson family, who became successful from their family-operated business, Duck Commander. The West Monroe, Louisiana business makes products for duck hunters, primarily a duck call named Duck Commander. The episodes are structured in a sitcom story format, unlike other reality television series, which has allowed it to have continued success in syndication. The bearded Robertsons – brothers Phil and Si, and Phil's sons Jase, Willie, and Jep – are the poster characters for the show, though the main cast consists of family and friends of the Robertsons such as their wives – Miss Kay, Korie, Missy Robertson, and

Jessica Robertson – as well as coworkers Martin and Godwin, beardless brother Alan, radio host Mountain Man, and the Robertson kids – Sadie, John Luke, Bella, Willie Jr, Rebecca, Rowdy, Mia, Reed, and others. The family was previously featured on the Duckmen series, and Outdoor Channel's Benelli Presents Duck Commander and its Buck Commander spin-off.

The 2013 fourth-season premiere "Till Duck Do Us Part" drew 11.8 million viewers; the most-watched nonfiction cable series in history (at that time), and with a 5.0 rating it is the highest rated telecast for A&E. The show earned \$80 million in advertising sales for the first nine months of 2013, and merchandise has generated another \$400 million in revenue. After 11 seasons, the series concluded on March 29, 2017, with the hour-long finale "End of an Era", the episode concluded with Si Robertson performing the show's theme song "Sharp Dressed Man" alongside ZZ Top.

In 2025, A&E announced a reboot of the series, titled *Duck Dynasty: The Revival*, that is expected to premiere in the summer of 2025. The reboot series will feature 20 one-hour episodes that follow Willie and Korie Robertson with their growing family of children and grandchildren in their Louisiana homestead. Initially, Phil Robertson was not expected to be featured in the revival series amid declining health and recent Alzheimer's disease diagnosis. Phil Robertson died on May 25, 2025.

Clan McDuck

The Clan McDuck is a fictional Scottish clan of cartoon ducks from which Disney character Scrooge McDuck is descended. Within the Donald Duck universe, the clan is related to the American Duck family through the marriage of Hortense McDuck and Quackmore Duck, Donald and Della Duck's parents, giving both of them partial Scottish ancestry.

Clan McDuck was created by American comic book author Carl Barks, who also created the character of Scrooge McDuck. Barks' 1948 story "The Old Castle's Secret," in which Scrooge and his nephews search for hidden treasure in McDuck Castle, introduced the backstory of the clan. Other authors built on Barks' work, most notably Don Rosa in his 12-part comic saga *The Life and Times of Scrooge McDuck* (1992–94) which introduced Scrooge's immediate family.

The Duck family is a fictional family of cartoon ducks related to Disney character Donald Duck. The family is also related to the Coot, Goose, and Gander families, as well as the Scottish Clan McDuck. Besides Donald, the best-known members of the Duck family are Huey, Dewey, and Louie, Donald's triplet nephews.

Members of the Duck family appear most extensively in Donald Duck comics (although some have made animated appearances). In 1993, American comics author Don Rosa published a Duck Family Tree that established the characters' relationships in his stories. He also created a fictional timeline for when certain characters were born (All birth/death dates given below are Rosa's). Other comics authors both before and after have shown variations in the family.
