The Bear is an American television series created by Christopher Storer for FX on Hulu. Jeremy Allen White stars as Carmy Berzatto, an award-winning chef who returns to his hometown of Chicago to manage the chaotic kitchen at his deceased brother's Italian beef sandwich shop. The supporting cast includes Ebon Moss-Bachrach, Ayo Edebiri, Lionel Boyce, Liza Colón-Zayas, Abby Elliott, Matty Matheson and Edwin Lee Gibson.

All episodes of the first season were released on FX on Hulu on June 23, 2022; the second season was released on June 22, 2023. In November 2023, the series was renewed for a third season, which was released on June 26, 2024. Ahead of the third-season premiere, the series was renewed for a fourth season, which released on June 25, 2025. The series was renewed for a fifth season in July 2025.

The series has received critical acclaim for its writing, directing, performances, technical quality, and production values. Despite being classified as comedy-drama, the series eschews comedic elements as it progresses into more conflicting psychological drama with accuracy of realism, dysfunctional relationships and workplace tension, exploring its approach to subject matter such as suicide and trauma.

The Bear has received many accolades, including twenty-one Primetime Emmy Awards (including Outstanding Comedy Series) and five Golden Globe Awards (including Best Television Series – Musical or Comedy). The series' continued categorization as a comedy at certain award ceremonies—particularly in later seasons—has generated controversy and received criticism.
