## Jesus's Truth

Parables of Jesus are stories about everyday life, ranging from a person's worldview to economic justice in society. This book examines most parables of Jesus from a critical literary perspective. Twenty-three narrative parables in the Synoptic Gospels are rearranged by their source: Markan parables, Q parables, Matthean unique parables, Lukan unique parables. Each parable invites readers to reengage Jesus's stories in the contemporary world.

## Was Jesus's Blood Not Enough?

When Jesus walked the earth, He was \"the Word\" in human form. His presence represented the magnificence of God's love, voluntarily sacrificing Jesus's sinless blood as payment for our sins. This book, *Was Jesus's Blood Not Enough?*, is a collection of letters, which served to provide encouragement, love, strength, and forgiveness, showing that God's word is as real as it was when Jesus walked the earth. In a society where communication remains restricted by constantly shortening character limits, our expressions are often quick and short and frequently miss the point. While writing letters appears to be a dying art, some gifts never get old. Letters are far more physical than the paper on which they rest, with expressions of personal information and details, which have had life breath blown into them from the heart of the writer. A letter's heartbeat can be felt over again with each reading. In times when the comfort of hugs is impossible, the encouragement of sincere words can serve as the type of relief that can only touch the heart. This collection of real letters shows how expressions of love based on the Word of God can help others during the spectrum of life's experiences. Whether in times of celebration or appreciation or those marked by fear, depression, grief, or hopelessness, many recipients found these letters to be encouraging and supporting. Indeed, some people carry these letters to serve as armor during times of weakness. What began as a request to write one letter to a man dying of cancer mushroomed into many. Some letters were requested and others sent unsolicited yet all letters were infused with love. It is certain that as you read these letters, you will find some that will touch your heart or could help someone you know. Keishan J. Davis, Esq. Son of the author, A. Virginia Smith-Davis

This book is a comprehensive guide to competent Spirit-led ministry in the 21st century. Written from a Pentecostal/Charismatic perspective, it focuses on four important aspects of effective ministry - preaching, teaching, healing, and leading. Beginning with biblical definitions of ministry, the book describes the challenges presented by the 21st century in light of the long history of Christian ministry, and it offers biblically sound advice to address these challenges. The role of the Holy Spirit in ministry is examined in detail. The bulk of the book is devoted to the theory (theology) and practice of competent, Spirit-led ministry. This book is a call to excellence in ministry as well as a guide to empowered preaching, teaching, healing, and leading.

Despite the growing interest among philosophers and theologians in virtue ethics, its proponents have done little to suggest why Christians in particular find virtue ethics attractive. Joseph J. Kotva, Jr., addresses this question in *The Christian Case for Virtue Ethics*, showing that virtue theory offers an ethical framework that is highly compatible with Christian morality. Kotva defines virtue ethics and demonstrates its ability to voice Christian convictions about how to live the moral life. He evaluates virtue theory in light of systematic theology and Scripture, arguing that Christian ethics could be profitably linked with neo-Aristotelian virtue ethics. Ecumenical in tone, this book provides a thorough but accessible introduction to recent philosophical accounts of virtue and offers an original, explicitly Christian adaptation of these ideas. It will be of value to students and scholars of philosophy, theology, and religion, as well as to those interested in the debates surrounding virtue ethics.

## Spirit-Led Ministry in the 21st Century

For many years, Professor Joel Delobel has served as a member of the Department of Biblical Studies of the Faculty of Theology, K.U. Leuven (1969-2001). His research has tended to focus on Luke-Acts, Pauline Literature and especially Textual Criticism (he is a member of Das Institut für Neutestamentliche Textforschung, Münster). His friends and colleagues in the Department of Biblical Studies of the Faculty of Theology and elsewhere have honoured him with a Festschrift on the occasion of his retirement. The congratulatory volume deals with an issue that is dear to him: the mutual link between textual criticism and exegesis, which he himself once referred to as the 'Siamese twins'. A number of international scholars in the field of textual criticism have treated different aspects of this relationship. Some contributions are of a more general nature: B. Aland deals with the criteria used to judge the value of smaller New Testament Papyrus fragments, J. Lust compares the textual critical investigation of the Old Testament to that of the New, W.L. Petersen studies the earliest form of the text of the Gospel. Other contributions are related to a specific text: Mt 21,28-32 (J.K. Elliott); Mk 16,8 (C. Focant); Lk 7,42b (T. Baarda); Lk 22, 43-44 (C.M. Tuckett); Lk 24,12 (F. Neirynck); Jn 4,1 (G. Van Belle); Jn 12,31 (M.-E. Boismard); Jn 16,13 (R. Bieringer); Acts 15,20.29; 21,25 (C.-B. Amphoux); Rom 16,7 (E.J. Epp); Rom 16,25-27 (R.F. Collins); 1 Cor 2,1 (V. Koperski); The Epistle of James (D.C. Parker); Rev 13,9-10 (J. Lambrecht) and Rev 13,18 (J.N. Birdsall); J. Verheyden deals with the New Testament text in the 2nd Century, more specifically in the writings of Justin.

## **Stand Firm**

Being an immigrant is both being "in-between" two cultures, that of the immigrant and that of the dominant group, and being "in-both" of these cultures. It ultimately means being "in-beyond" the two cultures together. In this book a group of prominent Asian-American Christian theologians reflect in an autobiographical form on how being an Asian and a North American has shaped the way they understand the Christian story. As the United States becomes increasingly multiethnic and multicultural, this book offers useful suggestions on how to meet the challenge of cultural diversity in both Church and society.

## **The Church Hymn Book, for the Worship of God**

How does God relate to us, what does He want from us, and how do we relate to God? Those questions and many more are woven throughout the many books of the Bible in the form of histories, parables, poetry, stories, and theological discourse. John M Masciale draws on his expertise writing software to pore through the intricacies of the Bible in The Lord Project. Using computer search algorithms, the author ties together the threads of the Bible on a variety of themes, searching for significant words around the phrase the Lord as well as the significant words surrounding Father, Jesus, Christ, and Spirit. Much more than a topical Bible or a concordance, this book compiles verses about God's nature and other essential themes. Chapters are organized topically, so you can focus on the subjects you care about the most. No matter what your education level or profession, if you are a student of the Bible, want to understand its teachings, and move closer to the Lord, this book will help you achieve your goals.

## **Breaking The Yoke of Martial Delay**

Class Struggle in the New Testament engages the political and economic realities of the first century to unmask the mediation of class through several New Testament texts and traditions. Essays span a range of subfields, presenting class struggle as the motor force of history by responding to recent debates, historical data, and new evidence on the political-economic world of Jesus, Paul, and the Gospels. Chapters address collective struggles in the Gospels; the Roman military and class; the usefulness of categories like peasant, retainer, and middling groups for understanding the world of Jesus; the class basis behind the origin of archangels; the Gospels as products of elite culture; the implication of capitalist ideology upon biblical interpretation; and the New Testament's use of slavery metaphors, populist features, and gifting practices. This book will become a definitive reference point for future discussion.

## **The Baptist Hymn Book**

Helps readers to reflect on the role of gratitude in their lives and to cultivate this virtue for their own benefit. The first author to offer a critique of gratitude through an explanation of various types of gratitude, Charles Shelton uses his skills as a clinical psychologist to present insights into the human experience of gratitude based on his own research. The exercises, strategies, and reflection questions threaded throughout the book give it a practical dimension that facilitates the reader's growth. Shelton's highly original reflection on Jesus as a grateful person lends a spiritual dimension to his work. This book will benefit individual readers as well as serve as a resource for spiritual direction workshops, spiritual formation courses, or ministry formation programs.--From publisher description.

Commentators focus on the genre of each text—parable, prophetic oracle, legal code, and so on—interpreting within the historical and literary context. The volumes also address major issues within each biblical book—including the range of possible interpretations—and refer readers to the best resources for further discussions.
