Boo-Boo Bear is a Hanna-Barbera cartoon character on The Yogi Bear Show. Boo-Boo is a shorter anthropomorphic bear who wears a blue bowtie. Boo-Boo is Yogi Bear's constant companion (not his son, as sometimes believed), and often acts as his conscience. He tries (usually unsuccessfully) to keep Yogi from doing things he should not do, and also to keep Yogi from getting into trouble with Ranger Smith – often saying, "Mr. Ranger isn't gonna like this, Yogi." It is not readily apparent whether Boo-Boo is a juvenile bear with a precocious intellect, or simply an adult bear who is short of stature.

Here Comes Honey Boo Boo is an American reality television series that aired on TLC featuring the family of child beauty pageant contestant Alana "Honey Boo Boo" Thompson. The show premiered on August 8, 2012, and ended on August 14, 2014. Thompson and her family originally rose to fame on TLC's reality series *Toddlers & Tiaras*. The show's name comes from a taunt that Alana hurled at another pageant contestant during her debut in *Toddlers and Tiaras*, but a sweeping misinterpretation from the general public resulted in Alana being referred to as "Honey Boo Boo Child" instead. The show revolves around Alana "Honey Boo Boo" Thompson and her family's life in the town of McIntyre, Georgia. The reality series received predominantly negative reviews from television critics during its run.

On October 24, 2014, TLC cancelled the series after four seasons when cast member June "Mama June" Shannon was seen with Mark Anthony McDaniel, a man who served 10 years in prison after being convicted of aggravated child molestation in 2004 and who is a registered sex offender. This prompted Shannon to admit to Entertainment Tonight that the father of her daughter Lauryn "Pumpkin" Shannon was not McDaniel as previously stated, but Michael Anthony Ford, another convicted sex offender who served time for sexual exploitation of minors after being caught on *To Catch a Predator* in 2005. A number of episodes had already been taped for a fifth season, but none were released until TLC aired four of them as the two-hour special *Here Comes Honey Boo Boo: The Lost Episodes* on April 21, 2017.

Rat Pfink a Boo Boo

Pfink" and "Boo Boo", who are parodies of Batman and Robin. Why the title is Rat Pfink a Boo Boo and not the more logical Rat Pfink and Boo Boo is the subject

Rat Pfink a Boo Boo is a 1966 American superhero comedy film directed by Ray Dennis Steckler and starring Ron Haydock and Carolyn Brandt. The first 40 minutes of the film are a straight crime drama, but it jarringly segues into a superhero parody after this. The title is alternately explained as a typo that was too expensive to fix (versus the more logical Rat Pfink and Boo Boo) or a stylistic choice.

In the film, a rock and roll star adopts the secret identity of Rat Pfink to rescue his kidnapped girlfriend. A friend of his adopts the identity of Rat Pfink's sidekick Boo Boo. They use a vehicle named the "Ratcycle" in homage to the Batcycle. The film was reportedly intended as a parody of the campy Batman television series. Rat Pfink is a parody of Batman and Boo is a parody of Batman's sidekick Robin.
