Din Grogu (), colloquially referred to as Baby Yoda or simply Grogu, is a character from the Star Wars Disney+ original television series *The Mandalorian* and *The Book of Boba Fett*. He is an infant member of the same species as the Star Wars characters Yoda and Yaddle, with whom he shares a strong ability in the Force. In the series, the protagonist known as "the Mandalorian" is hired to track down and capture Grogu for a remnant of the fallen Galactic Empire, but instead, he becomes his adoptive father and protects him from the Imperials. The character's real name was not revealed until "Chapter 13: The Jedi", which also explained that Grogu was raised at the Jedi Temple on Coruscant during the Clone Wars. Before this, the character's official name, used in subtitles and captions, was "the Child". At the end of "Chapter 24: The Return", he is given the name Din Grogu after being formally adopted by the Mandalorian, whose family name is "Din".

Grogu has appeared in every episode of the first three seasons, except "Chapter 15: The Believer". He was created by *The Mandalorian* creator and showrunner Jon Favreau based upon his desire to explore the mystery around Yoda and his species. The character was further developed in early conversations between Favreau and executive producer Dave Filoni, and the character's imagery was defined by concept artist Christian Alzmann. Grogu is mostly a work of animatronics and puppetry, although accentuated with computer-generated imagery.

The puppet was designed by Legacy Effects. Actor Adam Pally has stated that showrunner Jon Favreau told him it cost about \$5 million to make. It is controlled by two technicians, one who operates the eyes and mouth and another who controls other facial expressions. The character's voice and sounds were created using a combination of adult and infant vocals, as well as recordings of a bat-eared fox and kinkajou. The dynamic between the Mandalorian and Grogu embodies a theme of parenting and fatherhood prevalent in *The Mandalorian*, with the character also raising questions about good and evil and nature versus nurture in the series.

Grogu has received a positive reception from fans and reviewers, is widely considered the show's breakout character, and quickly became a popular Internet meme. The Guardian called him "2019's biggest new character", and The Hollywood Reporter has said the character "represents the future of Hollywood". Many writers have described Grogu as a key part in the success of Disney+. Grogu was kept secret and was deliberately withheld from *The Mandalorian*'s pre-release marketing and merchandise plans to avoid leaks and spoiling Grogu's reveal before the show aired.

been seen with the instrument in public, playing it on songs such as "Baby What You Want Me to Do" and "One Night". The album Elvis is Back! features Presley

Elvis Aaron Presley (January 8, 1935 – August 16, 1977) was an American singer and actor. Referred to as the "King of Rock and Roll", he is widely regarded as one of the most culturally significant figures of the 20th century. Presley's sexually provocative performance style, combined with a mix of influences across color lines during a transformative era in race relations, brought both great success and initial controversy.

Presley was born in Tupelo, Mississippi; his family moved to Memphis, Tennessee, when he was 13. He began his music career in 1954 at Sun Records with producer Sam Phillips, who wanted to bring the sound of African-American music to a wider audience. Presley, on guitar and accompanied by lead guitarist Scotty Moore and bassist Bill Black, was a pioneer of rockabilly, an uptempo, backbeat-driven fusion of country music and rhythm and blues. In 1955, drummer D. J. Fontana joined to complete the lineup of Presley's classic quartet and RCA Victor acquired his contract in a deal arranged by Colonel Tom Parker, who managed him for the rest of his career. Presley's first RCA Victor single, "Heartbreak Hotel", was released in January 1956 and became a number-one hit in the US. Within a year, RCA Victor sold ten million Presley singles. With a series of successful television appearances and chart-topping records, Presley became the leading figure of the newly popular rock and roll; though his performing style and promotion of the then-marginalized sound of African Americans led to him being widely considered a threat to the moral well-being of white American youth.

In November 1956, Presley made his film debut in *Love Me Tender*. Drafted into military service in 1958, he relaunched his recording career two years later with some of his most commercially successful work. Presley held few concerts, and, guided by Parker, devoted much of the 1960s to making Hollywood films and soundtrack albums, most of them critically derided. Some of Presley's most famous films included *Jailhouse Rock* (1957), *Blue Hawaii* (1961), and *Viva Las Vegas* (1964). In 1968, he returned to the stage in the acclaimed NBC television comeback special *Elvis*, which led to an extended Las Vegas concert residency and several highly profitable tours. In 1973, Presley gave the first concert by a solo artist to be broadcast around the world, *Aloha from Hawaii*. Years of substance abuse and unhealthy eating severely compromised his health, and Presley died in August 1977 at his Graceland estate at the age of 42.

Presley is one of the best-selling music artists in history, having sold an estimated 500 million records worldwide. He was commercially successful in many genres, including pop, country, rock and roll, rockabilly, rhythm and blues, adult contemporary, and gospel. Presley won three Grammy Awards, received the Grammy Lifetime Achievement Award at age 36, and has been posthumously inducted into multiple music halls of fame. He holds several records, including the most Recording Industry Association of America (RIAA)-certified gold and platinum albums, the most albums charted on the *Billboard* 200, the most number-one albums by a solo artist on the UK Albums Chart, and the most number-one singles by any act on the UK Singles Chart. In 2018, Presley was posthumously awarded the Presidential Medal of Freedom.

Dollar Baby

cases one viewing was all a person could bear." As noted, many, if not the majority, of the Dollar Baby films are made by student or tyro filmmakers. King

The Dollar Baby (or Dollar Deal) was an arrangement in which American author Stephen King would grant permission to students and aspiring filmmakers or theater producers to adapt one of his short stories for \$1. King retains the rights to his work, but as he began to experience commercial success, he decided to use the Dollar Baby to help the next generation of creatives. The term may be used to refer to both the adaptation

itself and the person adapting it; for example, "The Sun Dog" was made as a Dollar Baby and filmmaker Matt Flesher became a Dollar Baby upon adapting it.

The production budgets have ranged from a few hundred dollars to over \$60,000 for projects such as Umney's Last Case, and the film formats range from home video to professional 35 mm film.

According to the official Stephen King website, the Dollar Baby program ended in December 2023.

Lauren Keyana "Keke" Palmer (KEE-kee; born August 26, 1993) is an American actress, singer, and television personality. She has received numerous accolades, including two Primetime Emmy Awards and nominations for a Daytime Emmy Award and a Screen Actors Guild Award. Time magazine included her on its list of most influential people in the world in 2019.

Palmer made her film debut as a child with roles in the films Barbershop 2: Back in Business and The Wool Cap (both 2004), before achieving her breakthrough role as Akeelah Anderson in the drama film Akeelah and the Bee (2006). Her career progressed with roles in films such as Madea's Family Reunion (2006), Jump In! (2007), The Longshots (2008), and Shrink (2009), and the release of her debut studio album So Uncool (2007). She rose to prominence on Nickelodeon, playing the title character in the sitcom True Jackson, VP (2008–2011), providing the voice of Aisha in the Nickelodeon revival of Winx Club (2011–2014), and headlining the television film Rags (2012).

Palmer transitioned to mainstream roles with the VH1 biographical film *CrazySexyCool: The TLC Story* (2013), and afterwards made her Broadway debut as Ella in *Rodgers + Hammerstein's Cinderella* (2014–2015). She has since starred in the Fox satirical horror series *Scream Queens* (2015–2016), the Epix drama series *Berlin Station* (2017–2019), and the slasher series *Scream* (2019). Her film roles include *Animal* (2014), *Pimp* (2018), *Hustlers* (2019), *Nope* (2022), and *One of Them Days* (2025), with the last two earning her critical attention. Also in the 2020s, she released two more studio albums.

Outside of acting, Palmer has hosted the talk shows *Just Keke* (2014) and *Strahan, Sara and Keke* (2019–2020), as well as the game show *Password* since 2022. She launched KeyTV Network, an online entertainment content platform, in 2021, and released her second book, *Master of Me*, a hybrid memoir and self-help manual, in 2024.

Elvis Is Back!

with "Too Much", "All Shook Up", and "(Let Me Be Your) Teddy Bear". His second film, Loving You, opened on July 30 to box office success. His Christmas album

Elvis Is Back! is the fourth studio album by American singer Elvis Presley, released on April 8, 1960 by RCA Victor. It was Presley's first album of new material since 1958's *King Creole* soundtrack as well as his first to be recorded and released in stereophonic sound. The album marked Presley's return to music after his discharge from the U.S. Army.

During Presley's two-year military service in Germany, RCA Victor and Paramount Pictures progressively released material he had completed prior to enlistment. During his last months in the Army, Presley began preparing material and working on improving his performance for his first session in Nashville, scheduled to take place upon his return. Upon returning to the United States in March 1960, the singer reunited with guitarist Scotty Moore and drummer D.J. Fontana from his original band, the Blue Moon Boys, for two blocks of sessions in late March and early April. The material on the album has some influences from the rock and roll of Presley's early work, but it also offers a mix of sophisticated pop, blues, R&B and the "Nashville sound" production values associated with Chet Atkins, who co-produced the recording sessions with Steve Sholes.

With public anticipation high, RCA rushed *Elvis Is Back!* and the standalone single "Stuck on You" into release mere days after Presley finished recording. The LP topped the UK Albums Chart and reached number two in *Billboard's* Top LP's. Initially, the release received mixed reviews, but over subsequent years its critical reception became progressively more positive, with critics generally praising its stylistic variety, production quality and mature sound. *Elvis Is Back!* was certified Gold on July 15, 1999, by the Recording Industry Association of America.
