Power Rangers (or Saban's Power Rangers) is a 2017 American superhero film based on the franchise of the same name. It was directed by Dean Israelite from a screenplay by John Gatins and a story conceived by the writing teams of Matt Sazama and Burk Sharpless, and Michele and Kieran Mulroney. It is the third installment in the Power Rangers film series, and is a reboot that loosely adapts "Day of the Dumpster", the pilot episode of Mighty Morphin Power Rangers. The film features the main characters of the television series with a new cast, starring Dacre Montgomery, Naomi Scott, RJ Cyler, Becky G, Ludi Lin, Bill Hader, Bryan Cranston, and Elizabeth Banks. The film follows a group of teenagers who gain newfound powers, and must use them to protect Earth from an ancient reawakened threat. Franchise creator Haim Saban returned to produce the film under his investment firm.

Power Rangers premiered in Berlin, Germany on March 17, 2017, and was released in the United States on March 24 by Lionsgate Films. The film received mixed reviews from critics. Despite being the highest grossing Power Rangers film, it underperformed at the box office, with the total gross of \$142.5 million worldwide against a budget between \$100–105 million. The film was intended to launch a film series with multiple sequels, but all plans were cancelled due to its commercial failure, leading Saban to sell the franchise rights to Hasbro. Another reboot was in development, but due to Hasbro ending its partnership with Netflix in 2024, plans for a reboot were scrapped. However, just a year later, Hasbro would announce that another reboot is in development as a television series with 20th Television.

Power Rangers is an American media franchise created by Haim Saban, Shuki Levy and Shotaro Ishinomori built around a live-action superhero television series, based on the Japanese tokusatsu franchise Super Sentai. It is currently owned by American toy and entertainment company Hasbro through a dedicated subsidiary, SCG Power Rangers LLC. It was first produced in 1993 by Saban Entertainment (later BVS Entertainment), which Saban sold to the Walt Disney Company and then brought back under his now-defunct successor company Saban Brands within his current company, Saban Capital Group. The Power Rangers television series takes much of its footage from the Super Sentai television series produced by Toei Company. The first Power Rangers entry, Mighty Morphin Power Rangers, debuted on August 28, 1993, and helped launch the Fox Kids programming block of the 1990s, during which it catapulted into popular culture along with a line of action figures and other toys by Bandai. By 2001, the media franchise had generated over \$6 billion in toy sales.

Despite initial criticism that its action violence targeted child audiences, the franchise has been commercially successful. As of 2023, Power Rangers consists of 30 television seasons of 22 different themed series, three theatrical films released in 1995, 1997, and 2017 and a television special released in 2023.

In 2018, Hasbro was named the new master toy licensee. Shortly afterwards, Saban Brands and Hasbro announced that the latter would acquire the franchise and the rest of the former's entertainment assets in a \$522 million deal, with the first products from Hasbro becoming available in early 2019. In 2024, Hasbro announced a global licensing agreement with Playmates Toys to produce new additional cross-category

Power Rangers toys in 2025.

Mighty Morphin Power Rangers (MMPR) is an American superhero television series that premiered on August 28, 1993, on the Fox Kids programming block. It is the first entry of the Power Rangers franchise, and became a 1990s pop culture phenomenon along with a large line of toys, action figures, and other merchandise. The show adapted stock footage from Japanese television series Kyōryū Sentai Zyuranger (1992–1993), which was the 16th installment of Toei's Super Sentai franchise. The second and third seasons of the show drew elements and stock footage from Gosei Sentai Dairanger and Ninja Sentai Kakuranger, respectively, though the Zyuranger costumes were still used for the lead cast. The series was produced and distributed by Saban Entertainment, while the show's toy line was produced and distributed by Bandai.

It was followed in 1996 by a mini-series titled *Mighty Morphin Alien Rangers*. While a global storyline would continue in *Power Rangers Zeo*, *Power Rangers Turbo*, *Power Rangers in Space*, and *Power Rangers Lost Galaxy*, the subsequent seasons of the *Power Rangers* series would not be sequels or spin-offs in the traditional sense, having self-contained plots with no strong connection with the original series (except taking place in the same universe, not being reboots). However, cast members and elements from *Mighty Morphin Power Rangers* would still be present on several iterations of the franchise, most notably, Jason David Frank reprising his role of Tommy Oliver in *Power Rangers Dino Thunder*.

The original series also spawned the feature film *Mighty Morphin Power Rangers: The Movie*, released by 20th Century Fox on June 30, 1995. Despite mixed reviews, it was a success at the box office and earned a cult following. A second film titled *Turbo: A Power Rangers Movie* was released in 1997.

In 2017, a feature film simply titled *Power Rangers* was released, serving as a reboot for the television series. Due to both the film's financial failure and Hasbro's acquisition of the franchise in 2018, another reboot is in development.

A television special titled *Mighty Morphin Power Rangers: Once & Always* commemorated the 30th anniversary of the series and premiered on Netflix on April 19, 2023, with returning cast members David Yost, Walter Emanuel Jones, Steve Cardenas, Johnny Yong Bosch, Karan Ashley, Catherine Sutherland, Barbara Goodson, and Richard Steven Horvitz who reprised their roles. Charlie Kersh portrayed Minh, the daughter of Trini Kwan and the fourth Yellow Ranger.

Dr. Thomas "Tommy" Oliver is a fictional character in the American live-action television franchise *Power Rangers*. He is best known as being the original Green Ranger and the first evil Ranger who fought and nearly defeated the original *Power Rangers* while under the control of Rita Repulsa. He was eventually freed from Rita's spell and aligned himself with the other *Power Rangers*.

He is a main character in the *Mighty Morphin Power Rangers* TV series, as well as four of its successive incarnations *Mighty Morphin Alien Rangers*, *Power Rangers Zeo*, *Power Rangers Turbo*, and *Power Rangers Dino Thunder* (where he returns as a legendary *Power Ranger* veteran). He also appeared in the *Power Rangers Wild Force* episode "Forever Red", the *Power Rangers S.P.D.* episode "Wormhole", the *Power Rangers Super Megaforce* episode "Legendary Battle", and in the *Power Rangers Super Ninja Steel* episode "Dimensions in Danger". He was portrayed by actor Jason David Frank in all of his appearances from the beginning of the franchise until his death in November 2022, with the exception of the episode "Wormhole", where he appeared only in Ranger form and was voiced by actor Jeffrey Parazzo (who played Trent Mercer in *Dino Thunder*). He was also infrequently portrayed by actor Michael Gotto in instances where the story required the character during childhood, such as in the series *Mighty Morphin Alien Rangers*.

According to the character's history, Tommy is a legend among the *Power Rangers* community and is considered to be the greatest *Power Ranger* of all time, having been six different *Power Rangers* — The Green Ranger, The White Ranger, The White Ninja Ranger, Zeo Ranger V – Red, The Red Turbo Ranger, and The Black Dino Ranger — and a part of four Ranger teams over the years. In addition, Tommy is a lifelong practitioner of the martial arts; during the first season of *Power Rangers*, he was referred to as having a third-degree black belt in karate. By *Power Rangers Dino Thunder*, he is a 6th degree black belt. ("Return of the Ranger", *Power Rangers Dino Thunder – Collision Course* DVD). Tommy serves as a love interest to the original Pink Ranger Kimberly Hart before their separation. He later pursues a relationship with Kimberly's successor Kat Hillard.

Power Rangers Samurai is the eighteenth season of the children's television series Power Rangers, which is based on the Japanese Super Sentai Series. The season was the first to be produced by SCG Power Rangers, after Saban Brands (replacing BVS Entertainment as the main producer) acquired the franchise. The season marks the franchise's debut on Nickelodeon, premiering on the main network and Nicktoons on February 7, 2011.

Samurai uses props, footage, script, and characteristics from Samurai Sentai Shinkenger and, according to press material, had a "brighter tone and an infusion of fun and comedy that wasn't present in seasons 16 and 17." Samurai is also the first season to be shot and broadcast in 16:9 widescreen and in HD. Though 2006's Boukenger (which was adapted into Operation Overdrive) was the first Super Sentai series to be shot in widescreen, preceding Power Rangers seasons were not. However, Shinkenger was also the first Sentai series to be filmed with an HD camera at 720p resolution. Samurai also returns the series to a multi-seasonal format; the second season, titled Power Rangers Super Samurai, began on February 18, 2012 and is officially considered the nineteenth season overall.

Power Rangers Turbo is a television series and the fifth season of the Power Rangers franchise that aired in 1997. The show was prefaced with the franchise's second film, Turbo: A Power Rangers Movie.

As with its predecessors, Power Rangers Turbo is based on one of the entries of the Super Sentai series; in Turbo's case, the source is the 20th series, Gekisou Sentai Carranger. The series introduced a child actor as the new Blue Ranger, thus becoming the sole season so far to feature a pre-teen Ranger, and featured the departure of long-running characters Zordon and Alpha 5; the veteran team of Rangers also departed, with four new characters being introduced as their replacements. The fifth season also marked the final regular appearances of Johnny Yong Bosch, Catherine Sutherland, and Steve Cardenas, as well as the last appearance

of Nakia Burrise.
